

Online Privacy Policy

Thank you for visiting National Teacher Associates®, Inc. and Affiliated Licensed State Insurance Agencies ("NTA") web site and reviewing our Online Privacy Policy. As a guest or affiliated agent, your privacy is important to us. The policies below are applicable to the NTA web site, which is owned and operated through NTA Management, Inc.

Collection of Information

No personal information is automatically collected from guests to the NTA web site. The pre-login portion of the NTA web site is for informational purposes only, may contain links to various other affiliated web sites, and does not use "cookies" to gather information during your visit. Registration for access to the login portion of the NTA web site is restricted to NTA affiliated licensed agents and authorized personnel only. Information gathered during registration is private and is not disclosed to the public by NTA. This means that we will not know your name, your email address, or any other personally identifiable information just because you browse the NTA web site unless you register for access to the login portion of the web site.

Use of Email

We will use your email address to contact you for help in processing your registration, user id, and/or password. The email address you supply is at your discretion. NTA is not liable if your personal email service blocks or refuses any email from NTA.

Access

To ensure that your personally identifiable information is accurate and up to date, we encourage you to contact us to update your information in the event that your e-mail address changes. Please note that in an effort to prevent the unauthorized disclosure of your personally identifiable information, you may be asked to provide proof of identity assigned to you by NTA.

Security

NTA recognizes the importance of information security and is constantly reviewing and enhancing all technical, physical, and logical security rules and procedures. After information reaches NTA, it is stored on a secure server that resides behind firewalls designed to block unauthorized access from external sources. All NTA owned web sites and servers have security measures in place to help protect your personally identifiable information against loss, misuse, and alteration while under our control. Guaranteed security does not exist either on or off the internet; therefore, we do our best to safeguard your information using both procedural and technical safeguards.

Links to Other Web Sites

Links to external web sites found on the NTA web site are for your convenience and information. The fact that there is a link between this web site and another does not constitute a product or program endorsement by NTA or any of its employees, agents or affiliates. NTA does not operate these web sites and is not responsible for the content of the web sites found at these links, or beyond. NTA does not attest to the accuracy or propriety of any information located there. Be aware that privacy and security policies of these external web sites may differ from those practiced by NTA. If you have comments or questions about any external web sites, please contact the managers of those web sites directly.
